## THE AIMS:

The N.K.R.A. aim to run a Regional Championship (National for Junior & Formula Blue) to give the club driver a championship that will not cost a fortune to do - we try to organise rounds within ordinary Club meetings that should not involve large entry fees, travelling costs, etc.

We will run a Regional Championship in Southern England & Wales offering superb trophies for each Championship. (Cadet Honda, Junior Blue & Formula Blue drivers are able to attend a Grande Final at Forest Edge in September where the best will meet in an overall Championship.) The winners receive magnificent trophies and awards. There are also the Junior and Formula Blue, 'Zero' Plate Championships at Mansell in May.

## THE COST TO YOU:

The registration fee to join the championship is £60.00 (£50.00 if before 30th November 2018). The entry fee (including practice and overnight stay) has been agreed with all the clubs involved that the total weekends costs do not exceed £85.00 (when paid for in advance) £3.00 of this fee is returned to the N.K.R.A. to go towards the trophy fund. These NKRA championship rounds take place within the race weekend at club events. As such, there are no extra fees to enter the NKRA rounds. The only fee you pay for the weekend's racing is £85.00 which covers both Saturday practice and Sunday racing. The only stipulation is that the entry fee of £85.00 must be paid in advance, no later than seven days before the event. You must also be a member of a club, which is affiliated to the N.K.R.A., You will receive two N.K.R.A. Stickers - one of which must be displayed on the front Nassau panel of your kart during each championship round, the other on the front of your helmet.

## HOW IS IT SCORED?

There are five qualifying rounds - the best four of which count towards the Regional Championship. In the event of a tie the dropped score will come into play. For Junior & Formula Blue there is also the 8 round Blue Challenge which incorporates all 5 of the Regional Rounds.

## WHAT CLASSES WILL BE RUN?

All classes will be run to MSA yearbook 2019.  
CLASSES: - Cadet Honda, Cadet IAME, Junior Blue, Mini Max, Formula Blue (including Top Weight, Master, Veteran & Legend sections) & Rotax Max.
